PRISCILLA'S PERFECT DAY

Catawba Club Productions in association with the Group Rep presents a new family musical - PRISCILLA'S PERFECT DAY, book by Diana Martin, songs by Richard Levinson, directed by Jeremy Aldridge. Plays Saturdays at 11:00 am, June 12 through July 17. Pancake party and activities follow the performance.

Rain might ruin eleven-year-old budding artist Priscilla Penelope Periwinkle's idyllic notion of a relaxing vacation in Maine, and her "bratty" little brother Billy and his pesky, pancake-lovin' dog Roscoe are making their first day at the quaint old cottage anything but perfect; when she finds some very strange crayons that send them all to a magical sunny beach, things start looking up ... at least until they meet one very big, and very hungry, lobster. But thanks to Billy's quick thinking, it could still end up being Priscilla's Perfect Day!
